How we can help your organization?

Mission

To inspire recovery and wellness through professional development and continuing education, in order to equip emerging leaders and strengthen the peer and family support workforce.

What We Do

We increase access to evidence-based peer-to-peer and family-to-family programs to help people with mental health and/or substance use related needs achieve whole person wellness goals.

How We Do It

- Professional development and advanced level training for professional Peer/Recovery Support Specialists and Parent/Family Support Providers working within Arizona's healthcare delivery system.
- Ongoing support and peer-to-peer networking opportunities for Peer/Recovery Support Specialists and Parent/Family Support Providers.
- Partnership with social service delivery systems and healthcare provider organization to expand the use of peer and family support services into non-traditional settings.
- Consultation services to Peer- and Family-Run Organizations to enhance workforce development strategies, including climate assessment and employee engagement, workforce development planning, and more

Become an Organizational Member

Peer & Family Career Academy Membership is exclusively designed for healthcare providers that offer peer support and/or parent/family support services for individuals experiencing challenges related to mental health and/or substance use and their families. Organizational members receive recognition and promotional opportunities while experiencing an array of benefits, ranging from access to professional development activities and training programs at no additional cost to workforce development consultation. Becoming a member helps to support the long-term sustainability of the Peer & Family Career Academy while contributing towards coordinated advocacy for the advancement of peer support and parent/family support.
